Fundraisers on Egin

Making money on Egin through a fundraiser must start with the 96th Services Squadron. Contact Jolynn Figueroa, 883-2525, for coordination letters and request forms. Bake sales, breakfast burritos, sandwich and chips, and pizza are just a few samples of fundraisers that must have a temporary food handler's license from Public Health, 883-8562, in order to have the fundraiser approved. Please turn in requests as early as possible as it can take up to 30 days for approval. Upon approval, there will be a license issued that must be at the event. For questions, concerns, or comments, please contact me at Jolynn.figueroa@eglin.af.mil.

Private Organization Email on Government Computers

Government Computers are not to be used to send e-mails about Private Organizations, unofficial activities, fund-raising, events, etc. Organizations that are authorized to use government e-mail are not authorized to "advertise" for those who do not. If you have questions as to what is allowed, please call Ms. Figueroa at 883-2525.
